AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 4th day of September, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Memorandum dated 16th August, 1906, from the Minister of the Interior, submitting that it has been represented to him that a Mission, designated the Old Mission of St. Paul, was established by the Order of the Roman Catholic Church known as Oblats Marie Immaculée, in the Township 55, Range 12, West of Fourth Meridian, five years before the transfer; and that during that period the Missionaries of the Order occupied and improved the property and kept in operation a flourishing Indian Mission. It transpires also that the subsequent removal of the Indians to another reserve necessitated a change in the location of the Mission and the abandonment of the land occupied and improved by the Missionaries. An application has, in consequence, been made by the Reverend H. Leduc, O.M.I., for a grant of the South-east $\frac{1}{4}$ of Section 2, Township 58, Range 13, West Fourth Meridian, to compensate the Order for the loss of the land so occupied and improved.

The Minister states that, he is of the opinion that the claim for compensation for the land occupied and improved prior to the transfer by the said Mission is well founded, and that an equitable adjustment would be arrived at by the granting of the application above mentioned.

The Minister, therefore, recommends that a free grant of the South-east $\frac{1}{4}$ of Section 2, Township 58, Range 13, West Fourth Meridian, which is vacant and available for the purpose be authorized under sub-clause (g) of clause 90 of The Dominion Lands Act in satisfaction of the claim in question.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Therefore the Governor General in Council is pleased, in virtue of the provisions of clause 31 of The Dominion Lands Act, to grant the three acres in question for cemetery purposes to the trustees of St. Michael's Independent Greek Catholic Church, namely Nykola Gonik, Antoni Milanski and Matri Kumka, all of Dauphin, Manitoba, and to order that the usual patent fee of \$10.00 be remitted.

(283) LAKE ST. CLAIR—ST. CLAIR FLATS CANAL—NEW WEST CHANNEL DREDGED—BUOYS ESTABLISHED—LIGHTS EXHIBITED.

The United States Hydrographic office gives notice that on the 3rd September, 1906, the following buoys were established to mark the northwestern edge of a channel recently dredged, for the use of southward bound vessels only, alongside the northwestern side of the west pier of the canal from Lake St. Clair through St. Clair Flats into the St. Clair river. The new channel is 300 feet wide and has a clear depth of 20 feet.

Lower Junction buoy No. 1, a 25-foot spar, painted black, was moored in 20 feet of water about 3,000 feet S. 50° 3' W. from St. Clair Flats Canal Lower lighthouse. A fixed white post-lantern light was established on this buoy which marks the point at which downward bound vessels should leave the new channel and enter the old channel. The light and buoy will be moved to the southward and westward to keep pace with the widening of the unimproved channel.

West channel buoy No. 3, a 25-foot spar, was moored in 20 feet of water about 500 feet S. 76° 47' W. from St. Clair Flats Lower lighthouse. On 11th September a fixed white post-lantern light was established on this buoy.

West channel buoy No. 5, a 25-foot spar, was moored in 20 feet of water about 5,280 feet S. 47° 15' W. from St. Clair Flats Canal Upper lighthouse. On 11th September a fixed white post lantern light was established on this buoy.

West channel buoy No. 7, a 25-foot spar, was moored in 20 feet of water about 2,500 feet S. 51° 28' W. from St. Clair Flats Canal Upper lighthouse. On 11th September a fixed white post-lantern light was established on this buoy.

West channel buoy No. 9, a 25-foot spar, was moored in 20 feet of water about 350 feet N. 42° 45' W. from St. Clair Flats Canal Upper lighthouse. On 11th September a fixed white post-lantern light was established on this buoy.

Upper Junction bay, a horizontally striped 25-foot spar, was moored in 20 feet of water about 400 feet N. 44° 26' E. from St. Clair Flats Canal Upper lighthouse, to mark the dividing point between the eastern (old) and western (new) channels.

(271) LAKE ERIE—WEST END —WRECK OFF KINGSVILLE.

The United States wooden propeller *Charles B. Packard* has sunk off Kingsville, in the west end of Lake Erie, in 6½ fathoms water, in a position fixed by the following sextant angles :

(272) LAKE ERIE—DETROIT RIVER ENTRANCE— SHOAL SOUTHWARD OF BAR POINT ISLAND —BUOYS MOVED.

The United States Hydrographic office gives notice that a shoal, with a least depth of 15.4 feet over it, has recently formed on the eastern side of the channel below Bar Point shoal, about 4,850 feet northward from the Detroit River lighthouse, Lake Erie.

Two steamers recently grounded on this shoal.

Vessels should keep at least 100 feet to the westward of the red buoys marking the eastern side of the channel at this point.

In consequence of the discovery of this shoal, and of the fact that the axis of the dredged cut between it and Detroit river (U.S.) lighthouse has been shifted 200 feet to the westward, the red spar buoys marking the east edge of the deepened channel have been moved 100 feet westward from their old positions, to ensure vessels clearing the east edge of the channel.

It is found that in their new positions many of the buoys have been cut down ; mariners are asked to keep 100 feet to the westward of their old course, where they will find safer water, and protect the buoys.

(273) GEORGIAN BAY—MEAFORD—IMPROVEMENT OF MEAFORD BREAKWATER LIGHT.

On or about the 20th October, 1906, the fixed white electric light now shown from a lantern on a mast on the outer end of the new concrete breakwater on the north side of the entrance to Meaford, on the south shore of Georgian bay, will be replaced by an occulting bright light shown from a lens lantern surmounting a gas tank placed on or near the spot where the mast now stands.

The illuminant of the new light will be acetylene : the light will be automatically occulted at short intervals, and will be unwatched. The light will be elevated 20 feet above the level of the water, and should be visible eight miles from all points of approach. N. to M. No. 113 (273) 10-10-06.

(274) LAKE ERIE — KELLEYS ISLAND — WRECK SOUTH-WESTWARD.

The United States Hydrographic office gives notice that, on the 4th September, 1906, the schooner *Wm. Crosthwaite* was wrecked in the passage southwest of Kelleys island, Lake Erie. She lies on an even keel in 25 feet of water, on the following bearings :

Marblehead lighthouse, SE. $\frac{3}{4}$ E., distant $3\frac{1}{2}$ miles.

Carpenters point, NE. by E. $\frac{1}{8}$ E., distant $2\frac{3}{8}$ miles

The cabin has been carried away, but both masts are standing in a nearly vertical position. There is 2 feet of water over the anchor chain hoists and 3 feet over the donkey boiler. The wreck lies about $\frac{7}{8}$ mile southward of the regular track of vessels using the south passage, but is nevertheless a dangerous obstruction to navigation. N. to M. No. 113 (274) 10-10-06.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 4e jour de septembre 1906.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un memorandum daté le 16 août 1906, du ministre de l'Intérieur, soumettant qu'il lui a été représenté qu'une mission désignée Vieille Mission de Saint-Paul, a été établie, cinq ans avant le transfert, par l'Ordre de l'Eglise catholique romaine connu sous le vocable des Oblats de Marie Immaculée, dans le town-

ship 55, rang 12, à l'ouest du quatrième méridien ; et que durant cette période les missionnaires de l'Ordre ont occupé et amélioré la propriété et entretenu une mission indienne prospère. Il appert aussi que le déplacement subséquent des Sauvages à une autre réserve a nécessité un changement dans l'emplacement de la mission et l'abandon du terrain occupé et amélioré par les missionnaires. En conséquence le Rév. H. Leduc, O.M.I., a demandé l'octroi du $\frac{1}{4}$ sud-est de la section 2, township 28, rang 13, à l'ouest du quatrième méridien, pour indemniser l'Ordre de la perte du terrain ainsi occupé et amélioré.

Le Ministre dit qu'il est d'avis que la demande d'indemnité pour le terrain occupé et amélioré préalablement au transfert par la dite Mission est bien fondée, et que l'on pourrait en arriver à un règlement équitable par l'octroi de terrain ci-dessus mentionné.

A ces cause, le Ministre recommande qu'un octroi gratuit du dit $\frac{1}{4}$ sud-est de la section 2, township 28, rang 13, à l'ouest du quatrième méridien, qui est vacant et disponible à cette fin, soit autorisé en vertu

du paragraphe (g) de la clause 90 de l'Acte des terres fédérales en satisfaction de la réclamation en question.

Le comité soumet ce qui précède à l'approbation.

JOHN J. MCGEE,

Greffier du Conseil privé.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif,

le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important*, comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

3. *Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers* :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéjussur; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. F. ST. O. CHAPLEAU,

Greffier du Sénat.

SÉNAT.

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

ON a Report dated 8th August 1906, from the Minister of the Interior, stating that the Calgary Gun Club, Limited, has made application to lease a certain island in the Elbow River in the west $\frac{1}{2}$ of Section 14, Township 24, Range 1, west fifth meridian, containing 1.50 acres, which may be more particularly described as follows :—Composed of that certain island situated in the west half of section (14) fourteen in the twenty-fourth township, in the first range, west of the fifth meridian, in the Province of Alberta, and which may be more particularly described as the island containing one and one half acres more or less lying off the left bank of the Elbow River and at the mouth of the said river as shown upon a map or plan of survey of the said township signed at Ottawa, on the 9th day of April, 1895, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior.

The Minister further states that the granting of this application would not, in his opinion, be prejudicial to the public interest, and he therefore recommends, as

the island above mentioned is vacant and available for the purpose in the records of the Department and the Agent of Dominion Lands at Calgary reports that there is no objection to the lease being issued, that he be authorized under section 3 of chapter 26 of 57-58 Victoria as amended by section 6 of chapter 20 of 1 Edward VII, to lease such island to the Calgary Gun Club, Limited, for a term of five years, renewable at the expiration thereof for a like period, the rental to be \$2.00 per annum, payable in advance.

18-3

[Ref. 1,270,173.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 4th day of September, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Memorandum dated 16th August, 1906, from the Minister of the Interior, submitting that it has been represented to him that a Mission, designated the Old Mission of St. Paul, was established by the Order of the Roman Catholic Church known as Oblats Marie Immaculée, in the Township 55, Range 12, West of Fourth Meridian, five years before the transfer; and that during that period the Missionaries of the Order occupied and improved the property and kept in operation a flourishing Indian Mission. It transpires also that the subsequent removal of the Indians to another reserve necessitated a change in the location of the Mission and the abandonment of the land occupied and improved by the Missionaries. An application has, in consequence, been made by the Reverend H. Leduc, O.M.I., for a grant of the South-east $\frac{1}{4}$ of Section 2, Township 58, Range 13, West Fourth Meridian, to compensate the Order for the loss of the land so occupied and improved.

The Minister states that he is of the opinion that the claim for compensation for the land occupied and

improved prior to the transfer by the said Mission is well founded, and that an equitable adjustment would be arrived at by the granting of the application above mentioned.

The Minister, therefore, recommends that a free grant of the South-east $\frac{1}{4}$ of Section 2, Township 58, Range 13, West Fourth Meridian, which is vacant and available for the purpose be authorized under sub-clause (g) of clause 90 of The Dominion Lands Act in satisfaction of the claim in question.

The Committee submit the same for approval.

17-4 JOHN J. MCGEE,
Clerk of the Privy Council.

[Ref. 1,268,593].

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 31st day of August, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Trustees of St. Michael's Independent Greek Catholic Church have made application for a grant for cemetery purposes of three acres of that portion of the north-west $\frac{1}{4}$ of Section 15, Township 23, Range 20, West First Meridian, which may be more particularly described as follows :—Commencing at the north-west corner stake of said Section 15, thence easterly a distance of 24 rods, thence southerly a distance of 20 rods, thence westerly a distance of 24 rods, thence northerly to point of commencement, containing an area of three acres ; and the parcel covered by this application would appear to be required for the purpose mentioned.

Therefore the Governor General in Council is pleased, in virtue of the provisions of clause 31 of The Dominion Lands Act, to grant the three acres in question for cemetery purposes to the trustees of St. Michael's Independent Greek Catholic Church, namely Nykola Gonik, Antoni Milanski and Matri Kumka, all of Dauphin, Manitoba, and to order that the usual patent fee of \$10.00 be remitted.

16-4 JOHN J. MCGEE,

(283) LAKE ST. CLAIR—ST. CLAIR FLATS CANAL—
NEW WEST CHANNEL DREDGED—BUOYS ESTAB-
LISHED—LIGHTS EXHIBITED.

The United States Hydrographic office gives notice that on the 3rd September, 1906, the following buoys

were established to mark the northwestern edge of a channel recently dredged, for the use of southward bound vessels only, alongside the northwestern side of the west pier of the canal from Lake St. Clair through St. Clair Flats into the St. Clair river. The new channel is 300 feet wide and has a clear depth of 20 feet.

Lower Junction buoy No. 1, a 25-foot spar, painted black, was moored in 20 feet of water about 3,000 feet S. 50° 3' W. from St. Clair Flats Canal Lower lighthouse. A fixed white post-lantern light was established on this buoy which marks the point at which downward bound vessels should leave the new channel and enter the old channel. The light and buoy will be moved to the southward and westward to keep pace with the widening of the unimproved channel.

West channel buoy No. 3, a 25-foot spar, was moored in 20 feet of water about 500 feet S. 76° 47' W. from St. Clair Flats Lower lighthouse. On 11th September a fixed white post-lantern light was established on this buoy.

West channel buoy No. 5, a 25-foot spar, was moored in 20 feet of water about 5,280 feet S. 47° 15' W. from St. Clair Flats Canal Upper lighthouse. On 11th September a fixed white post lantern light was established on this buoy.

West channel buoy No. 7, a 25-foot spar, was moored in 20 feet of water about 2,500 feet S. 51° 28' W. from St. Clair Flats Canal Upper lighthouse. On 11th September a fixed white post-lantern light was established on this buoy.

West channel buoy No. 9, a 25-foot spar, was moored in 20 feet of water about 350 feet N. 42° 45' W. from St. Clair Flats Canal Upper lighthouse. On 11th September a fixed white post-lantern light was established on this buoy.

Upper Junction bay, a horizontally striped 25-foot spar, was moored in 20 feet of water about 400 feet N. 44° 26' E. from St. Clair Flats Canal Upper lighthouse, to mark the dividing point between the eastern (old) and western (new) channels.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 4e jour de septembre 1906.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un memorandum daté le 16 août 1906, du ministre de l'Intérieur, soumettant qu'il lui a été représenté qu'une mission désignée Vieille Mission de Saint-Paul, a été établie, cinq ans avant le transfert, par l'Ordre de l'Eglise catholique romaine connu sous le vocable des Oblats de Marie Immaculée, dans le township 55, rang 12, à l'ouest du quatrième méridien; et que durant cette période les missionnaires de l'Ordre ont occupé et amélioré la propriété et entretenu une mission indienne prospère. Il appert aussi que le déplacement subséquent des Sauvages à une autre réserve a nécessité un changement dans l'emplacement de la mission et l'abandon du terrain occupé et amélioré par les missionnaires. En conséquence le Rév. H. Leduc, O.M.I., a demandé l'octroi du $\frac{1}{4}$ sud-est de la section 2, township 28, rang 13, à l'ouest du quatrième méridien, pour indemniser l'Ordre de la perte du terrain ainsi occupé et amélioré.

Le Ministre dit qu'il est d'avis que la demande d'indemnité pour le terrain occupé et amélioré préalablement au transfert par la dite Mission est bien fondée, et que l'on pourrait en arriver à un règlement équitable par l'octroi de terrain ci-dessus mentionné.

A ces causes, le Ministre recommande qu'un octroi gratuit du dit $\frac{1}{4}$ sud-est de la section 2, township 28, rang 13, à l'ouest du quatrième méridien, qui est vacant et disponible à cette fin, soit autorisé en vertu du paragraphe (g) de la clause 90 de l'Acte des terres fédérales en satisfaction de la réclamation en question.

Le comité soumet ce qui précède à l'approbation.

JOHN J. MCGEE,
Greffier du Conseil privé.

(288) RIVIÈRE SAGUENAY — PRÈS DE CHICOUTIMI — RIVIÈRE DU CARIBOU — TOUR DU FEU D'ALIGNEMENT POSTÉRIEUR RECONSTRUITE.

Le feu montré d'un poteau depuis que le phare d'alignement postérieur à la rivière du Caribou a été renversé par le vent (voir Avis aux Navigateurs No 13 (ii) de 1901) a été remplacé par un feu plus brillant montré d'une tour à jour en acier érigée sur un petit monticule dans l'alignement à 100 pieds en arrière du feu temporaire, ou à 820 pieds N. 62° 30' O. du feu antérieur, qui est dans la

Lat. N. 48° 27' 30"

Long. O. 71° 0' 49"

La nouvelle tour est une charpente à jour en acier, de forme carrée, avec côtés en pente, surmontée d'une lanterne carrée en bois. Elle a 36 pieds de hauteur depuis sa base jusqu'au ventilateur sur la lanterne. La charpente et le toit de la lanterne sont rouges, le corps de la lanterne est blanc.

Le feu est blanc fixe catoptrique, à 40 pieds au-dessus du niveau de la rivière, et devrait être visible à 6 milles dans l'alignement.

(289) FLEUVE SAINT-LAURENT EN BAS DE QUÉBEC — BATTURE MORIN — BOUÉE À GAZ ET À SIGNAUX ÉTABLIES.

En outre de la bouée-espar à gaz entretenue sur la batture Morin, dans le fleuve Saint-Laurent, en aval des Traverses, une bouée combinée à sifflet et à cloche a été établie pour marquer la batture.

Lat. N. 47° 36' 13"

Long. O. 70° 2' 8"

La bouée est mouillée dans 7 brasses d'eau, à 300 pieds plus haut que la position occupée par l'ancienne bouée. Elle est peinte en bandes horizontales rouges et noires, et supporte, à une élévation de 30 pieds au-dessus de l'eau, sur une charpente à jour, une lanterne lenticulaire, de 375 mm. d'où est projetée une lumière brillante de gaz acétylène, occultée à de courts intervalles. Ce feu devrait être visible à douze milles tout autour de l'horizon. Le sifflet posé sur le corps de la bouée et la cloche supportée sur la superstructure sont actionnés par le mouvement de la bouée sur les vagues. Le feu n'est pas gardé.

La bouée-espar en acier à gaz sera enlevée à la fin de la navigation en 1906, et son entretien supprimé.

(290) FLEUVE SAINT-LAURENT EN AVAL DE QUÉBEC — POINTE AUX ORIGNAUX — QUAI PROLONGÉ.

Le quai de l'Etat à la Pointe aux Orignaux, en bas de l'embouchure de la rivière Ouelle, a été prolongé de cinquante pieds, à l'angle nord-ouest.

Lat. N. 47° 29' 23"

Long. O. 70° 1' 34"

Le phare sur le quai n'a pas été dérangé, et en conséquence il se trouve à cinquante pieds plus loin de l'extrémité nord-ouest du quai qu'autrefois. Vu que les petits caboteurs ont l'habitude de serrer de près l'extrémité du quai en passant, afin de rester dans l'eau morte, ils sont avertis de tenir compte de ce prolongement.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif,

le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important*, comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers* :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommissaires; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant le service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagne de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. The Minister further states that the granting of this application would not, in his opinion, be prejudicial to the public interest, and he therefore recommends, as the island above mentioned is vacant and available for the purpose in the records of the Department and the Agent of Dominion Lands at Calgary reports that there is no objection to the lease being issued, that he be authorized under section 3 of chapter 26 of 57-58 Victoria as amended by section 6 of chapter 20 of 1 Edward VII, to lease such island to the Calgary Gun Club, Limited, for a term of five years, renewable at the expiration thereof for a like period, the rental to be \$2.00 per annum, payable in advance.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 4th day of September, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Memorandum dated 16th August, 1906, from the Minister of the Interior, submitting that it has been represented to him that a Mission, designated the Old Mission of St. Paul, was established by the Order of the Roman Catholic Church known as Oblats Marie Immaculée, in the Township 55, Range 12, West of Fourth Meridian, five years before the transfer; and that during that period the Missionaries of the Order occupied and improved the property and kept in operation a flourishing Indian Mission. It transpires also that the subsequent removal of the Indians to another reserve necessitated a change in the location of the Mission and the abandonment of the land occupied and improved by the Missionaries. An application has, in consequence, been made by the Reverend H. Leduc, O.M.I., for a grant of the South-east $\frac{1}{4}$ of Section 2, Township 58, Range 13, West Fourth Meridian, to compensate the Order for the loss of the land so occupied and improved.

The Minister states that, he is of the opinion that the claim for compensation for the land occupied and improved prior to the transfer by the said Mission is well founded, and that an equitable adjustment would be arrived at by the granting of the application above mentioned.

The Minister, therefore, recommends that a free grant of the South-east $\frac{1}{4}$ of Section 2, Township 58, Range 13, West Fourth Meridian, which is vacant and available for the purpose be authorized under sub-clause (g) of clause 90 of The Dominion Lands Act in satisfaction of the claim in question.

The Committee submit the same for approval.

Clerk of the Privy Council.

(295) RIVER ST. LAWRENCE—QUEBEC TO MONTREAL—SHIP CHANNEL—NICOLET—RANGE LIGHTS EXHIBITED—PIER UNDER CONSTRUCTION.

The Government of Canada is constructing two range lighthouses near the mouth of Nicolet river, to show the axis through Nicolet Traverse dredged channel at night.

Work has been begun on a foundation pier for the front range lighthouse on the flat on the east side of the mouth of the river, in the alignment of the present day beacons, at a point 3850 feet N. 58° W. from the front beacon, and the framework and temporary works form a conspicuous mark.

Lat. N. 46° 15' 29"
Long. W. 72 39 7

Pending completion of the buildings temporary lights will be shown from lens lanterns, the front one placed on the new pier; the back one suspended from the front day beacon. The two fixed white lights in one mark the centre line of the improved ship channel, completed to the standard width of 450 feet and depth of 30 feet, on a course of N. 58° W. from the black buoy No. 13 L on English bank to the black buoy No. 17 L on the lower end of No. 3 curve.

It is intended to place gas buoys at the two turns named, of which further notice will be given.

(296) RIVER ST. LAWRENCE—LAKE ST. PETER—SHIP CHANNEL—CURVE No. 2—RANGE LIGHTS ESTABLISHED.

The lightship at No. 2 curve in Lake St. Peter has been removed from her station, and replaced by three permanent lights shown from towers standing on concrete piers, arranged as two ranges with the middle light common to both.

This middle tower consists of a square fireproof dwelling painted white with a red roof, surmounted by an octagonal iron lantern painted red. It stands on a rectangular concrete whitewashed pier with battered sides and a pointed nose upstream. The pier rises 29 feet above the summer level of the river, and the lighthouse is 28 feet high from the deck of the pier to the ventilator on the lantern.

The pier stands at the point where the axis of the widened channel from Yamachiche curve to No. 2 curve cuts the axis of the widened channel from No. 2 curve to No. 1 curve.

Lat. N. 46° 11' 26"
Long. W. 72 54 22

The light shown from the new lighthouse is a fixed white light elevated 49 feet above the water, which should be visible 6 miles. The illuminating apparatus is dioptric of the fifth order. The illuminant is acetylene.

The back lights are similar lights elevated 94 feet above the water and visible 6 miles.

Each is shown from a skeleton steel tower, rising from the walls of a fireproof dwelling, standing on a square concrete pier with battered walls. The tower is surmounted by an octagonal iron lantern. Lantern and skeleton framework are painted red, dwelling and pier are white. The pier rises 29 feet above the water; the tower is 73 feet high from the pier to the ventilator on the lantern.

The back tower of the range showing eastward stands on the flats 2,000 feet S. 84½° W. from the front tower. The two lights in one, bearing S. 84½° W. lead from the gas buoy at Yamachiche curve to No. 2 curve. Mariners must however bear in mind the fact that these lights have been set to mark the axis of the channel as it will be when the dredging has been completed to the standard width of 450 feet, and that they lead within 75 feet of the red buoys as now placed. In crossing, downward-bound vessels should therefore open this range to the southward, so as to avoid crowding upward-bound vessels on to the north bank.

The back tower of the range showing westward stands on the flats 2,000 feet N. 58½° E. from the front tower. The two lights in one astern, lead from No. 2 curve to No. 1 lightship, on a course of S. 58½° W. The remarks above, respecting the width of the channel, apply also to this range, the lights leading 75 feet from the west edge of the present channel.

(297) RIVER ST. LAWRENCE—QUEBEC TO MONTREAL—SHIP CHANNEL—EXPERIMENTAL RED LIGHTS IN GAS BUOYS.

Bellmouth curve red buoys No. 16M, No. 20M and No. 24M.

Plum island red buoy No. 82M.

This change in the colour of the gas lights has been made for the purpose of ascertaining if occulting red lights are satisfactory. The lights may be changed back to occulting white lights without preliminary notice.

Mariners are invited to report to the Department the result of their observations of the change, especially whether the red lights can be seen sufficiently far, and whether they are liable to be mistaken in hazy weather for side lights.

It should be visible twelve miles all round. The whistle standing on the body of the buoy and bell supported on the superstructure are operated by the motion of the buoy on the waves. The light is unwatched.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

Le Ministre dit de plus qu'il lui est représenté que
les terrains demandés sont complètement impropres à
la culture, et que l'octroi de cette demande ne causerait
pas de préjudice au public.

En conséquence le Ministre recommande, vu que les
terrains ci-dessus mentionnés sont inoccupés et dispo-
nibles dans les registres du ministre de l'Intérieur, qu'il
soit autorisé, en vertu de l'article 3 du chapitre 26 de
57-58 Victoria, tel que modifié par l'article 6 du cha-
pitre 20 de l'Édouard VII, de louer ces terrains au
Oak Point Shooting Club pour un an, renouvelable à
l'expiration de ce terme pour une même période, la
rente devant être de \$40.45 par année, payable d'avance,
étant un taux de un centin par acre, et sujet aux con-
ditions ordinaires contenues dans ces baux.

Vendredi, le 31e jour d'août 1906

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉ-
RAL EN CONSEIL.

ATTENDU que les Syndics de l'Eglise catholique
grecque Indépendante de St-Michel, ont demandé
qu'il leur soit octroyé, pour en faire un cimetière, trois
acres de cette partie du 1/4 nord-ouest de la section 15,
township 23, rang 20 à l'ouest du premier méridien,
décrite comme suit :—Commençant au jalon nord-
ouest de la dite section 15, de là vers l'est une distance
de 24 perches, de là vers le sud une distance de 20
perches, de là vers l'ouest une distance de 24 perches,
de là vers le nord jusqu'au point de départ, contenant
une étendue de trois acres ; et le lopin de terre com-
pris dans cette demande semble nécessaire pour les fins
mentionnées,—

A ces causes il plaît au Gouverneur général en con-
seil, en vertu des dispositions de la clause 31 de l'Acte

des terres fédérales, d'octroyer les trois acres en question pour en faire un cimetière aux Syndics de l'Eglise catholique grecque Indépendante de St-Michel, savoir, Nykola Gonik, Antoni Milanski et Matri Kumka, tous de Dauphin, Manitoba, et d'ordonner que l'honoraire ordinaire de \$10 soit remis.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 4e jour de septembre 1906.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Sur un memorandum daté le 16 août 1906, du ministre de l'Intérieur, soumettant qu'il lui a été représenté qu'une mission désignée Vieille Mission de Saint-Paul, a été établie, cinq ans avant le transfert, par l'Ordre de l'Eglise catholique romaine connu sous le vocable des Oblats de Marie Immaculée, dans le township 55, rang 12, à l'ouest du quatrième méridien; et que durant cette période les missionnaires de l'Ordre ont occupé et amélioré la propriété et entretenu une mission indienne prospère. Il appert aussi que le déplacement subséquent des Sauvages à une autre réserve a nécessité un changement dans l'emplacement de la mission et l'abandon du terrain occupé et amélioré par les missionnaires. En conséquence le Rév. H. Leduc, O.M.I., a demandé l'octroi du $\frac{1}{4}$ sud-est de la section 2, township 28, rang 13, à l'ouest du quatrième méridien, pour indemniser l'Ordre de la perte du terrain ainsi occupé et amélioré.

Le Ministre dit qu'il est d'avis que la demande d'indemnité pour le terrain occupé et amélioré préalablement au transfert par la dite Mission est bien fondée, et que l'on pourrait en arriver à un règlement équitable par l'octroi de terrain ci-dessus mentionné.

A ces cause, le Ministre recommande qu'un octroi gratuit du dit $\frac{1}{4}$ sud-est de la section 2, township 28, rang 13, à l'ouest du quatrième méridien, qui est vacant et disponible à cette fin, soit autorisé en vertu du paragraphe (g) de la clause 90 de l'Acte des terres fédérales en satisfaction de la réclamation en question.

Le comité soumet ce qui précède à l'approbation.

(294) FLEUVE SAINT-LAURENT—CHENAL DES NAVIRES ENTRE QUÉBEC ET MONTRÉAL—ALIGNEMENT D'EN HAUT DE CHAMPLAIN—NOUVEAUX FEUX ALLUMÉS.

Les nouveaux feux d'alignement projetés en amont du village de Champlain, pour lesquels des tours furent érigées en 1905, tel que décrit dans les Avis aux Navigateurs Nos. 48 (117) et 74 (183) de 1905, ont été allumés ; les feux montrés de lanternes hissées sur des balises de jour dans l'ancien axe du chenal ont été supprimés, et les amarques ont été démolies.

Les feux sont fixes blancs catoptriques, et devraient être visibles de 6 milles dans l'alignement.

Le feu antérieur, élevé à 40 pieds au-dessus du niveau du fleuve, est montré d'une tour construite dans la courbe en amont du village de Champlain, entre le bord du fleuve et le grand chemin, à un point 100 pieds en arrière du bord de l'eau, à 450 pieds S. 88° 30' O. de l'endroit où était la balise de jour antérieure, et à 2,350 pieds S. 74° 15' O. de l'église du village.

Lat. N. 46° 26' 18".

Long. O. 72° 21' 27".

La tour est un bâtiment en bois, de forme carrée, avec côtés en pente, surmonté d'une lanterne carrée en bois. Elle est peinte en blanc, et le toit de la lanterne rouge. Sa hauteur, depuis la fondation jusqu'au ventilateur sur la lanterne est de 30 pieds.

La tour postérieure est dans les champs, à 2,080 pieds N. 79° 30' O. de la tour antérieure. C'est une construction en acier, à jour, de forme carrée, avec côtés en pente, surmontée d'une guérite et lanterne en bois. La partie supérieure de la charpente, sur le côté qui regarde le chenal, est latté. La charpente en acier est brune, les lattes et la boiserie sont blanches, et le tout de la lanterne rouge. La hauteur du bâtiment est de 95 pieds.

Le feu est à 109 pieds au-dessus du niveau du fleuve.

Les deux feux en conjonction, direction N. 79° 30' O., indiquent l'axe du chenal élargi depuis le coude à la Pointe aux Citrouilles jusqu'au coude en amont du village de Champlain, et les côtés de ce chenal amélioré sont marqués par les bouées 3 C à 15 C, décrites dans le dernier paragraphe telles que mouillées dans leurs nouvelles positions.

(295) FLEUVE SAINT-LAURENT—DE QUÉBEC À MONTRÉAL—CHENAL DES NAVIRES—NICOLET—FEUX D'ALIGNEMENT ÉTABLIS—PILE EN VOIE DE CONSTRUCTION.

Le gouvernement du Canada est à construire deux phares d'alignement près de l'embouchure de la rivière Nicolet, pour indiquer l'axe du chenal dragué de la Traverse Nicolet, la nuit.

Les travaux ont été commencés sur une pile pour le phare d'alignement antérieur sur la plaine du côté est de l'embouchure de la rivière, dans l'alignement des balises de jour actuelles, à un point 3,850 pieds N. 58° O. de la balise antérieure, et la charpente et les travaux temporaires forment une marque très visible.

Lat. N. 46° 15' 59"

Long. O. 72° 39' 7"

En attendant l'achèvement des bâtiments temporaires, des feux seront montrés de lanternes lenticulaires, le feu antérieur étant placé sur la nouvelle pile ; le feu postérieur suspendu de la balise de jour

antérieur. Les deux feux fixes blancs en conjonction marquent la ligne centrale du chenal des navires amélioré, complété à la largeur réglementaire de 450 pieds et une profondeur de 30 pieds, dans une direction N. 58° O. depuis la bouée noire No. 13 L sur le banc des Anglais jusqu'à la bouée noire No. 17 L sur l'extrémité inférieure de la courbe No. 3.

On a l'intention de placer des bouées à gaz aux deux détours nommés, dont avis sera donné.

(296) FLEUVE SAINT-LAURENT—LAC SAINT-PIERRE—
CHENAL DES NAVIRES—COURBE N° 2—FEUX
D'ALIGNEMENT ÉTABLIS.

Le bateau-feu à la courbe No. 2 dans le lac Saint-Pierre a été ôté de sa station, et remplacé par trois feux permanents montrés de tours reposant sur des piles de béton, arrangés de façon à former deux alignements avec le feu central commun aux deux. Cette tour du milieu consiste en une habitation carrée à l'épreuve du feu, peinte en blanc avec toiture rouge. Elle repose sur une pile rectangulaire en béton, blanchie à la chaux, avec côtés bombés et le nez pointé en amont. La pile s'élève de 29 pieds au-dessus du niveau d'été du fleuve, et le phare a 28 pieds de hauteur depuis le pont de la pile jusqu'au ventilateur sur la lanterne.

La pile repose à l'endroit où l'axe du chenal élargi depuis la courbe de Yamachiche jusqu'à la courbe No. 2 coupe l'axe du chenal élargi depuis la courbe No. 2 jusqu'à la courbe No. 1.

Lat. N. 46° 11' 26"
Long. O. 72° 54' 22"

Le feu montré du nouveau phare est un feu blanc fixe à 49 pieds au-dessus de l'eau, et qui devrait être visible à 6 milles. L'appareil lumineux est dioptrique du cinquième ordre. Le luminaire est du gaz acétylène.

Les feux postérieurs sont des feux semblables, à 94 pieds au-dessus de l'eau, et visibles à 6 milles.

Chaque feu est montré d'une tour en acier à jour, sortant des murs d'une habitation à l'épreuve du feu, reposant sur une pile carrée en béton avec murs bombés. La tour est surmontée d'une lanterne octogone en fer. La lanterne et la charpente sont peinturées en rouge, l'habitation et la pile sont blanches. La pile s'élève à 29 pieds au-dessus de l'eau ; la tour a 73 pieds de hauteur depuis la pile jusqu'au ventilateur sur la lanterne.

La tour postérieure de l'alignement regardant l'est, repose sur la plaine à 2000 pieds N. 84½° O. de la tour antérieure. Les deux feux en conjonction, direction S. 84½° O. conduisent depuis la bouée à gaz de la courbe de Yamachiche jusqu'à la courbe No. 2. Les navigateurs doivent se rappeler, toutefois, que ces feux ont été établis pour marquer l'axe du chenal tel qu'il sera quand le dragage aura été complété à la largeur réglementaire de 450 pieds, et qu'ils conduisent à 75 pieds des bouées rouges telles que placées maintenant. En traversant, les navires descendant doivent donc tenir cet alignement ouvert au sud, de manière à ce que les navires qui montent ne soient pas pressés vers la rive nord.

La tour postérieure de l'alignement qui regarde à l'ouest repose sur la plaine à 2000 pieds N. 58½° E. de la bouée antérieure. Les deux feux en conjonction en arrière conduisent depuis la courbe No. 2 jusqu'au bateau-feu No. 1, dans une direction S. 58½° O. Les remarques qui précèdent, concernant la largeur du chenal, s'appliquent aussi au présent alignement, les feux conduisant à 75 pieds du bord ouest du chenal actuel.

RÉAL—CHENAL DES NAVIRES—ESSAIS DE FEUX
ROUGES DANS DES BOUÉES À GAZ.

Les bouées à gaz dans le chenal des navires, désignées plus bas, ont eu leurs feux changés de blancs à occultations à feux rouges à occultations, savoir :—

Bouées rouges de la courbe Bellmouth, No 16 M, No 20 M, et No 24 M.

La bouée rouge No 82 M de l'île aux Prunes.

Ce changement dans la couleur des feux de gaz a été fait dans le but de s'assurer si les feux rouges à occultations sont satisfaisants. Les feux peuvent être rechangés en feux blancs à occultations sans avis préliminaire.

Les navigateurs sont invités à communiquer au ministre le résultat de leurs observations du changement, surtout si les feux rouges peuvent être vus d'assez loin, et s'ils pourraient être pris en temps brumeux pour des feux de côté.

La bouée-espar montrant un feu à gaz Pintsch No. 24 Q., entretenue au large de la Pointe aux Trembles, a été remplacée par une plus grande bouée cylindrique voûtée, portant une lanterne de 300 mm. de diamètre, sur une charpente à jour, à une hauteur de 9½ pieds au-dessus de l'eau, la bouée est peinte en rouge, avec une lanterne rouge.

(288) RIVIÈRE SAGUENAY — PRÈS DE CHICOUTIMI — RIVIÈRE DU CARIBOU — TOUR DU FEU D'ALIGNEMENT POSTÉRIEUR RECONSTRUIT.

Le feu montré d'un poteau depuis que le phare d'alignement postérieur à la rivière du Caribou a été renversé par le vent (voir Avis aux Navigateurs No 13 (ii) de 1901) a été remplacé par un feu plus brillant montré d'une tour à jour en acier érigée sur un petit monticule dans l'alignement à 100 pieds en arrière du feu temporaire, ou à 820 pieds N. 62° 30' O. du feu antérieur, qui est dans la

Lat. N. 48° 27' 30"
Long. O. 71° 0' 49"

La nouvelle tour est une charpente à jour en acier, de forme carrée, avec côtés en pente, surmontée d'une lanterne carrée en bois. Elle a 36 pieds de hauteur depuis sa base jusqu'au ventilateur sur la lanterne. La charpente et le toit de la lanterne sont rouges, le corps de la lanterne est blanc.

Le feu est blanc fixe catoptrique, à 40 pieds au-dessus du niveau de la rivière, et devrait être visible à 6 milles dans l'alignement.

(289) FLEUVE SAINT-LAURENT EN BAS DE QUÉBEC — BATTURE MORIN — BOUÉE À GAZ ET À SIGNAUX ÉTABLIES.

En outre de la bouée-espar à gaz entretenue sur la batture Morin, dans le fleuve Saint-Laurent, en aval des Traverses, une bouée combinée à sifflet et à cloche a été établie pour marquer la batture.

Lat. N. 47° 36' 13"
Long. O. 70° 2' 8"

La bouée est mouillée dans 7 brasses d'eau, à 300 pieds plus haut que la position occupée par l'ancienne bouée. Elle est peinte en bandes horizontales rouges et noires, et supporte, à une élévation de 30 pieds

au-dessus de l'eau, sur une charpente à jour, une lanterne lenticulaire, de 375 mm. d'où est projetée une lumière brillante de gaz acétylène, occultée à de courts intervalles. Ce feu devrait être visible à douze milles tout autour de l'horizon. Le sifflet posé sur le corps de la bouée et la cloche supportée sur la superstructure sont actionnés par le mouvement de la bouée sur les vagues. Le feu n'est pas gardé.

La bouée-espar en acier à gaz sera enlevée à la fin de la navigation en 1906, et son entretien supprimé.

(290) FLEUVE SAINT-LAURENT EN AVAL DE QUÉBEC — POINTE AUX ORIGNAUX — QUAI PROLONGÉ.

Le quai de l'Etat à la Pointe aux Originaux, en bas de l'embouchure de la rivière Ouelle, a été prolongé de cinquante pieds, à l'angle nord-ouest.

Lat. N. 47° 29' 23"
Long. O. 70° 1' 34"

Le phare sur le quai n'a pas été dérangé, et en conséquence il se trouve à cinquante pieds plus loin de l'extrémité nord-ouest du quai qu'autrefois. Vu que les petits caboteurs ont l'habitude de serrer de près l'extrémité du quai en passant, afin de rester dans l'eau morte, ils sont avertis de tenir compte de ce prolongement.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif,

le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important*, comme suit :—

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéjussurage; une compagnie de prêt; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :—Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inefficacité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

A VIS est par les présentes donné qu'une demande sera faite à la prochaine session du Parlement du Canada, pour la passation d'une loi incorporant l'Association Canadienne Musicale et Dramatique, limitée, ayant son principal bureau d'affaires à Montréal, avec pouvoir d'acquérir, maintenir et exploiter un théâtre et d'y donner des représentations ; de distribuer en lots partie de ses recettes à ses patrons ; d'établir et maintenir un conservatoire pour l'enseignement de la musique, du chant, de l'élocution et d'arts semblables, et de créer des bourses pour envoyer des élèves étudier tels arts dans d'autres pays, et avec d'autres pouvoirs analogues ou accessoires à ceux susmentionnés.

CHAMBER OF THE SENATE.

OTTAWA, Thursday, 22nd November, 1906.

This day, at THREE o'clock P.M., HIS EXCELLENCY THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, HIS EXCELLENCY was

pleased to open the THIRD SESSION of the TENTH PARLIAMENT OF THE DOMINION OF CANADA, with the following Speech :—

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In opening the third session of the Tenth Parliament of Canada, I avail myself of the opportunity to offer you my congratulations on the unparalleled prosperity prevailing in all parts of the Dominion. The harvest has been abundant, and the trade with both British and foreign nations continues to expand in annually increasing volume, with every prospect of continued growth for many years to come.

The number of immigrants seeking homes in Canada continues yearly to increase, and it is very satisfactory to observe that a larger proportion than in any former year has in the past season come from the British Isles.

During the recess following the last session, I visited the four western provinces, and was much gratified to note the great advance that is being made in the development of the vast resources of those highly favoured sections of the Dominion. I found the people of the West rejoicing in their prosperity, and full of hope and confidence in the future growth of its agricultural and industrial wealth.

The quinquennial census recently taken in the provinces of Alberta and Saskatchewan shows that those provinces are now entitled to an increase in their representation in the House of Commons. A Bill giving effect to that provision will be submitted for your approval.

In accordance with the announcement made in a previous session, you will be asked to consider a Bill for the revision of the Customs tariff.

The sanction of Parliament will be required to give legal effect to the treaty made with the Empire of Japan. A Bill for that purpose will be submitted for your approval.

The products and manufactures of Canada shown at the recent International Exhibition held in the city of Milan proved a great attraction, and as a result it is confidently believed our trade with central and southern Europe can be materially increased.

The Naval authorities having relinquished the use of the Dockyard at Halifax, a proposal was made to transfer it to the Government of Canada. The offer has been accepted and the Dockyard will now be used by the Department of Marine and Fisheries as a base for its operations in connection with aids to navigation.

Many immigrants having in recent years been induced to come to Canada by false representations made in the United Kingdom, at the request of the Minister of Labour a clause has been added to the Merchants Shipping Bill, now before the Imperial Parliament, for the punishment of any person who may be found guilty of that offence.

Gentlemen of the House of Commons :

The accounts of the past year will be laid before you, I am glad to say that the revenue has shown a large expansion, and has not only provided for ordinary expenditure, but has also, to a great extent, provided for the outlay on capital account.

The estimates for the coming year will be laid before you at an early date.

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

A united application having been received by my ministers from the Governments of the several provinces asking for an increase in the provincial subsidies, a conference was recently held when the reasons for granting additional aid were fully set forth and discussed. Resolutions, based on the conclusions reached by my Government, will be submitted for your consideration.

Bills will be laid before you amending the Election Acts, the Post Office Act, the Dominion Lands Act, a Bill for the more effective supervision and inspection of Canadian canned food products, meats and fish, a Bill relating to the sale and manufacture of patent medicines ; and also a Bill to make better provision for dealing with juvenile delinquents.

It is hoped that the report of the Commission appointed to inquire into the working of Insurance Companies will shortly be completed, when it will be laid on the Table.

The subjects I have mentioned will, I hope, receive your best consideration, and the measures to be submitted for your approval will, I trust, tend to the well-being and good government of our fair Dominion.

PROCLAMATIONS.

(295) RIVER ST. LAWRENCE—QUEBEC TO MONTREAL—SHIP CHANNEL—NICOLET—RANGE LIGHTS EXHIBITED—PIER UNDER CONSTRUCTION.

The Government of Canada is constructing two range lighthouses near the mouth of Nicolet river, to show the axis through Nicolet Traverse dredged channel at night.

Work has been begun on a foundation pier for the front range lighthouse on the flat on the east side of the mouth of the river, in the alignment of the present day beacons, at a point 3850 feet N. 58° W. from the front beacon, and the framework and temporary works form a conspicuous mark.

Lat. N. 46° 15' 25"
Long. W. 72 39 7

Pending completion of the buildings temporary lights will be shown from lens lanterns, the front one placed on the new pier ; the back one suspended from the front day beacon. The two fixed white lights in one mark the centre line of the improved ship channel, completed to the standard width of 450 feet and depth of 30 feet, on a course of N. 58° W. from the black buoy No. 13 L on English bank to the black buoy No. 17 L on the lower end of No. 3 curve.

It is intended to place gas buoys at the two turns named, of which further notice will be given.

(296) RIVER ST. LAWRENCE—LAKE ST. PETER—SHIP CHANNEL—CURVE NO. 2—RANGE LIGHTS ESTABLISHED.

The lightship at No. 2 curve in Lake St. Peter has been removed from her station, and replaced by three permanent lights shown from towers standing on concrete piers, arranged as two ranges with the middle light common to both.

This middle tower consists of a square fireproof dwelling painted white with a red roof, surmounted by an octagonal iron lantern painted red. It stands on a rectangular concrete whitewashed pier with battered sides and a pointed nose upstream. The pier rises 29 feet above the summer level of the river, and the lighthouse is 28 feet high from the deck of the pier to the ventilator on the lantern.

The pier stands at the point where the axis of the widened channel from Yamachiche curve to No. 2 curve cuts the axis of the widened channel from No. 2 curve to No. 1 curve.

Lat. N. 46° 11' 26"
Long. W. 72 54 22

The light shown from the new lighthouse is a fixed white light elevated 49 feet above the water, which should be visible 6 miles. The illuminating apparatus is dioptric of the fifth order. The illuminant is acetylene.

The back lights are similar lights elevated 94 feet above the water and visible 6 miles.

Each is shown from a skeleton steel tower, rising from the walls of a fireproof dwelling, standing on a square concrete pier with battered walls. The tower is surmounted by an octagonal iron lantern. Lantern and skeleton framework are painted red, dwelling and pier are white. The pier rises 29 feet above the water ; the tower is 73 feet high from the pier to the ventilator on the lantern.

The back tower of the range showing eastward stands on the flats 2,000 feet S. 84½° W. from the front tower. The two lights in one, bearing S. 84½° W. lead from the gas buoy at Yamachiche curve to No. 2 curve. Mariners must however bear in mind the fact that these lights have been set to mark the axis of the channel as it will be when the dredging has been completed to the standard width of 450 feet, and that they lead within 75 feet of the red buoys as now placed. In crossing, downward-bound vessels should therefore open this range to the southward, so as to avoid crowding upward-bound vessels on to the north bank.

The back tower of the range showing westward stands on the flats 2,000 feet N. 58½° E. from the front tower. The two lights in one astern, lead from No. 2 curve to No. 1 lightship, on a course of S. 58½° W. The remarks above, respecting the width of the channel, apply also to this range, the lights leading 75 feet from the west edge of the present channel.

(297) RIVER ST. LAWRENCE—QUEBEC TO MONTREAL—SHIP CHANNEL—EXPERIMENTAL RED LIGHTS IN GAS BUOYS.

The following ship channel gas buoys have had their lights changed from occulting white lights to occulting red lights, viz :—

Bellmouth curve red buoys No. 16M, No. 20M and No. 24M.

Plum island red buoy No. 82M.

This change in the colour of the gas lights has been made for the purpose of ascertaining if occulting red lights are satisfactory. The lights may be changed back to occulting white lights without preliminary notice.

Mariners are invited to report to the Department the result of their observations of the change, especially whether the red lights can be seen sufficiently far, and whether they are liable to be mistaken in hazy weather for side lights.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

SALLE DU SÉNAT.

OTTAWA, jeudi, 22 novembre 1906.

Aujourd'hui, à Trois heures P.M., SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat s'étant assemblés, il a plu à Son Excellence d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, SON EXCELLENCE a ouvert la TROISIÈME SESSION du DIXIÈME PARLEMENT DE LA PUISSANCE DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En ouvrant la troisième session de la dixième législature du Canada, je tiens à vous féliciter de la prospérité sans égale qui règne dans toutes les parties du pays. La récolte a été abondante, le commerce avec l'Angleterre et l'étranger continue de se développer chaque année, et tout indique que cette progression va durer encore de longues années.

Le nombre d'immigrants qui cherchent à s'établir au Canada continue aussi d'augmenter tous les ans, et il est très satisfaisant de constater que, durant la dernière saison, il en est venu des Îles Britanniques une proportion plus considérable que dans le cours d'aucune année passée.

Pendant les vacances qui ont suivi la dernière session, j'ai visité les quatre provinces de l'ouest et j'ai été très heureux de remarquer le grand progrès qui se fait dans le développement de ces riches sections du Dominion. J'ai trouvé la population de l'ouest contente de sa prospérité, pleine d'espoir et de confiance dans l'augmentation future de sa richesse agricole et industrielle.

Le recensement quinquennal que l'on a fait récemment dans l'Alberta et la Saskatchewan démontre que ces provinces ont maintenant droit à ce que leur représentation dans la Chambre des Communes soit augmentée. Un bill ayant pour objet de donner effet à ce droit sera soumis à votre approbation.

Conformément à ce qui a été annoncé au cours d'une précédente session, vous allez être priés d'étudier un bill ayant pour objet la révision du tarif des douanes.

Il va falloir la sanction du parlement pour donner un effet légal au traité conclu avec l'empire du Japon. Un bill à cette fin sera soumis à votre approbation.

Les produits et les objets manufacturés du Canada, étalés à l'exposition internationale qui a eu lieu récemment à Milan, ont beaucoup attiré l'attention et on a la ferme confiance qu'il va pouvoir en résulter une augmentation considérable de notre commerce avec l'Europe centrale et méridionale.

Les autorités navales ayant renoncé à l'usage de l'arsenal de marine d'Halifax, il a été proposé de le céder au gouvernement du Canada. L'offre a été acceptée et l'arsenal va maintenant être utilisé par le département de la Marine et des Pêcheries comme base de ses opérations concernant les aides à la navigation.

Vu que, depuis quelques années, nombre d'immigrants ont été induits à venir au Canada par de fausses représentations faites dans le Royaume-Uni, un article a été ajouté au *Merchants Shipping Bill* maintenant devant le parlement impérial, à la demande du ministre du Travail, pour assurer la punition de quiconque sera trouvé coupable de cette offense.

Messieurs de la Chambre des Communes :

Les comptes du dernier exercice seront déposés devant vous. Je suis heureux de dire que le revenu s'est élevé de beaucoup et a donné de quoi faire face non seulement aux dépenses ordinaires, mais aussi, dans une large mesure aux déboursés imputables sur le capital.

Les estimations budgétaires pour le prochain exercice seront déposées devant vous prochainement.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Mes ministres ayant reçu une requête à eux adressée conjointement par les gouvernements des différentes provinces et demandant l'augmentation des subventions accordées aux provinces, il s'est tenu récemment une conférence où les raisons favorables à l'octroi d'une aide supplémentaire ont été exposées et discutées à fond. Un projet de résolutions basées sur les conclusions auxquelles mon gouvernement en est arrivé, sera soumis à votre considération.

On va déposer devant vous des bills ayant pour objet de modifier les actes relatifs aux élections, l'acte des postes, l'acte des terres fédérales, un bill ayant pour objet de rendre plus efficaces le contrôle et l'inspection des conserves alimentaires canadiennes, des viandes et du poisson, un bill concernant la vente et la fabrication des remèdes brevetés ; et aussi un bill ayant pour objet d'améliorer la loi relative aux jeunes délinquants.

On s'attend que le rapport de la commission chargée de faire enquête au sujet des opérations des compagnies d'assurance va être bientôt prêt ; quand il le sera, on le déposera sur le bureau de la Chambre.

Aux sujets que j'ai mentionnés vous allez accorder, je l'espère, votre plus sérieuse attention, et les mesures qui vont être soumises à votre approbation contribueront, je l'espère aussi, à assurer le bien-être et le bon gouvernement de notre beau Dominion.

PROCLAMATIONS.

(294) FLEUVE SAINT-LAURENT—CHENAL DES NAVIRES ENTRE QUÉBEC ET MONTRÉAL—ALIGNEMENT D'EN HAUT DE CHAMPLAIN—NOUVEAUX FEUX ALLUMÉS.

Les nouveaux feux d'alignement projetés en amont du village de Champlain, pour lesquels des tours furent érigées en 1905, tel que décrit dans les Avis aux Navigateurs Nos. 48 (117) et 74 (183) de 1905, ont été allumés ; les feux montrés de lanternes hissées sur des balises de jour dans l'ancien axe du chenal ont été supprimés, et les amarques ont été démolies.

Les feux sont fixes blancs catoptriques, et devraient être visibles de 6 milles dans l'alignement.

Le feu antérieur, élevé à 40 pieds au-dessus du niveau du fleuve, est montré d'une tour construite dans la courbe en amont du village de Champlain, entre le bord du fleuve et le grand chemin, à un point 100 pieds en arrière du bord de l'eau, à 450 pieds S. 88° 30' O. de l'endroit où était la balise de jour antérieure, et à 2,350 pieds S. 74° 15' O. de l'église du village.

Lat. N. 46° 26' 18".

Long. O. 72 21 27.

La tour est un bâtiment en bois, de forme carrée, avec côtés en pente, surmonté d'une lanterne carrée en bois. Elle est peinturée en blanc, et le toit de la lanterne rouge. Sa hauteur, depuis la fondation jusqu'au ventilateur sur la lanterne est de 30 pieds.

La tour postérieure est dans les champs, à 2,080 pieds N. 79° 30' O. de la tour antérieure. C'est une construction en acier, à jour, de forme carrée, avec côtés en pente, surmontée d'une guérite et lanterne en bois. La partie supérieure de la charpente, sur le côté qui regarde le chenal, est latté. La charpente en acier est brune, les lattes et la boiserie sont blanches, et le tout de la lanterne rouge. La hauteur du bâtiment est de 95 pieds.

Le feu est à 109 pieds au-dessus du niveau du fleuve.

Les deux feux en conjonction, direction N. 79° 30' O., indiquent l'axe du chenal élargi depuis le coude à la Pointe aux Citrouilles jusqu'au coude en amont du village de Champlain, et les côtés de ce chenal amélioré sont marqués par les bouées 3 C à 15 C, décrites dans le dernier paragraphe telles que mouillées dans leurs nouvelles positions.

(295) FLEUVE SAINT-LAURENT—DE QUÉBEC À MONTRÉAL—CHENAL DES NAVIRES—NICOLET—FEUX D'ALIGNEMENT ÉTABLIS—PILE EN VOIE DE CONSTRUCTION.

Le gouvernement du Canada est à construire deux phares d'alignement près de l'embouchure de la rivière Nicolet, pour indiquer l'axe du chenal dragué de la Traverse Nicolet, la nuit.

Les travaux ont été commencés sur une pile pour le phare d'alignement antérieur sur la plaine du côté est de l'embouchure de la rivière, dans l'alignement des balises de jour actuelles, à un point 3,850 pieds N. 58° O. de la balise antérieure, et la charpente et les travaux temporaires forment une marque très visible.

Lat. N. 46° 15' 59"

Long. O. 72 39 7

En attendant l'achèvement des bâtiments temporaires, des feux seront montrés de lanternes lenticulaires, le feu antérieur étant placé sur la nouvelle pile ; le feu postérieur suspendu de la balise de jour

antérieur. Les deux feux fixes blancs en conjonction marquent la ligne centrale du chenal des navires amélioré, complété à la largeur réglementaire de 450 pieds et une profondeur de 30 pieds, dans une direction N. 58° O. depuis la bouée noire No. 13 L sur le banc des Anglais jusqu'à la bouée noire No. 17 L sur l'extrémité inférieure de la courbe No. 3.

On a l'intention de placer des bouées à gaz aux deux détours nommés, dont avis sera donné.

(296) FLEUVE SAINT-LAURENT—LAC SAINT-PIERRE—
CHENAL DES NAVIRES—COURBE N° 2—FEUX
D'ALIGNEMENT ÉTABLIS.

Le bateau-feu à la courbe No. 2 dans le lac Saint-Pierre a été ôté de sa station, et remplacé par trois feux permanents montrés de tours reposant sur des piles de béton, arrangés de façon à former deux alignements avec le feu central commun aux deux. Cette tour du milieu consiste en une habitation carrée à l'épreuve du feu, peinte en blanc avec toiture rouge. Elle repose sur une pile rectangulaire en béton, blanchie à la chaux, avec côtés bombés et le nez pointé en amont. La pile s'élève de 29 pieds au-dessus du niveau d'été du fleuve, et le phare a 28 pieds de hauteur depuis le pont de la pile jusqu'au ventilateur sur la lanterne.

La pile repose à l'endroit où l'axe du chenal élargi depuis la courbe de Yamachiche jusqu'à la courbe No. 2 coupe l'axe du chenal élargi depuis la courbe No. 2 jusqu'à la courbe No. 1.

Lat. N. 46° 11' 26"
Long. O. 72° 54' 22"

Le feu montré du nouveau phare est un feu blanc fixe à 49 pieds au-dessus de l'eau, et qui devrait être visible à 6 milles. L'appareil lumineux est dioptrique du cinquième ordre. Le luminaire est du gaz acétylène.

Les feux postérieurs sont des feux semblables, à 94 pieds au-dessus de l'eau, et visibles à 6 milles.

Chaque feu est montré d'une tour en acier à jour, sortant des murs d'une habitation à l'épreuve du feu, reposant sur une pile carrée en béton avec murs bombés. La tour est surmontée d'une lanterne octogone en fer. La lanterne et la charpente sont peinturées en rouge, l'habitation et la pile sont blanches. La pile s'élève à 29 pieds au-dessus de l'eau ; la tour a 73 pieds de hauteur depuis la pile jusqu'au ventilateur sur la lanterne.

La tour postérieure de l'alignement regardant l'est, repose sur la plaine à 2000 pieds S. 84½° O. de la tour antérieure. Les deux feux en conjonction, direction S. 84½° O. conduisent depuis la bouée à gaz de la courbe de Yamachiche jusqu'à la courbe No. 2. Les navigateurs doivent se rappeler, toutefois, que ces feux ont été établis pour marquer l'axe du chenal tel qu'il sera quand le dragage aura complété à la largeur réglementaire de 450 pieds, et qu'ils conduisent à 75 pieds des bouées rouges telles que placées maintenant. En traversant, les navires descendant doivent donc tenir cet alignement ouvert au sud, de manière à ce que les navires qui montent ne soient pas pressés vers la rive nord.

La tour postérieure de l'alignement qui regarde à l'ouest repose sur la plaine à 2000 pieds N. 58½° E. de la bouée antérieure. Les deux feux en conjonction en arrière conduisent depuis la courbe No. 2 jusqu'au bateau-feu No. 1, dans une direction S. 58½° O. Les remarques qui précèdent, concernant la largeur du chenal, s'appliquent aussi au présent alignement, les feux conduisant à 75 pieds du bord ouest du chenal actuel.

RÉAL—CHENAL DES NAVIRES—ESSAIS DE FEUX
ROUGES DANS DES BOUÉES À GAZ.

Les bouées à gaz dans le chenal des navires, désignées plus bas, ont eu leurs feux changés de blancs à occultations à feux rouges à occultations, savoir :—

Bouées rouges de la courbe Bellmouth, No 16 M, No 20 M, et No 24 M.

La bouée rouge No 82 M de l'île aux Prunes.

Ce changement dans la couleur des feux de gaz a été fait dans le but de s'assurer si les feux rouges à occultations sont satisfaisants. Les feux peuvent être rechangés en feux blancs à occultations sans avis préliminaire.

Les navigateurs sont invités à communiquer au ministre le résultat de leurs observations du changement, surtout si les feux rouges peuvent être vus d'assez loin, et s'ils pourraient être pris en temps brumeux pour des feux de côté.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

(334) QUEBEC—OTTAWA RIVER, NORTH SHORE—WAY CHANNEL AND BESSERER CROSSING—RANGE LIGHTS ESTABLISHED.

Four beacon lights, established by the Government of Canada on the north shore of the Ottawa river, to guide through the channel north of Way shoal, were put in operation on the 7th November, 1906.

They show fixed white lights from pressed glass lens lanterns hoisted on poles, and should be visible 8 miles in the line of range. The poles are made more conspicuous as day beacons by having diamond shaped slat-works painted white on the top of each. The poles are respectively 20 and 40 feet high, and stand on ground elevated 10 feet above the summer level of the river. The two front lights are elevated 29 feet, and the two back lights 49 feet above the water.

The front light of the upper range, which will be known as Way channel range, stands on the bank of the river at a point 975 feet above the front light of the lower range, and about 2100 feet below the mouth of the Blanche river, which is in lot 3 of the Township of Templeton, County of Wright.

Lat. N. 45° 29' 56"
Long. W. 75° 32' 2"

The back light of this range stands 490 feet S. 80° 40' W. from the front light. The two lights bearing S. 80° 40' W. lead up between Way shoal and the north shore to a point nearly abeam of the front light of the Besserer crossing range, when the alignment should be left on the starboard hand to swing into the Besserer crossing alignment.

The front light of the second range, which will be known as the Besserer crossing range, stands on the north bank of the river, 975 feet below Way channel front light, 3075 feet below the mouth of the River Blanche, and 2700 feet above Way shoal lighthouse.

The back light mast of this range stands in the woods, 325 feet N. 48° 30' E. from the front one.

The two lights in one astern lead through the channel dredged across the head of Way shoal, on a course of S. 48° 30' W. from a point abeam of the front light of the Way channel range to deep water on the south side of the river. The alignment of the lights produced is in the alignment of the westernmost trees of Besserer grove on the south side of the river.

Note that the intersection of the two ranges is in shoal water on the north shore, and therefore either alignment must be opened slightly when approaching the other one.

To mark the entrance channel two pole lights will be established on the 15th November, 1906, by this Department, on the east pier, the front one on the extreme southwest corner, the back one near the east edge of the pier 530 feet north, 4° east of the front one. The two lights in one, bearing north 4° east will indicate a line parallel to and 5 feet east of the east edge of the dredged entrance channel.

The front pole is 9 feet high. The fixed white lens lantern light will be elevated 14 feet above the water and should be visible 6 miles in the line of range.

The back pole is 13 feet high. The fixed red lens lantern light will be elevated 18 feet above the water and should be visible 5 miles in the line of range.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

90. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques*.—Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

—
SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant le service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comités ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

(334) QUEBEC—OTTAWA RIVER, NORTH SHORE—WAY CHANNEL AND BESSERER CROSSING—RANGE LIGHTS ESTABLISHED.

Four beacon lights, established by the Government of Canada on the north shore of the Ottawa river, to guide through the channel north of Way shoal, were put in operation on the 7th November, 1906.

They show fixed white lights from pressed glass lens lanterns hoisted on poles, and should be visible 8 miles in the line of range. The poles are made more conspicuous as day beacons by having diamond shaped slat-works painted white on the top of each. The poles are respectively 20 and 40 feet high, and stand on ground elevated 10 feet above the summer level of the river. The two front lights are elevated 29 feet, and the two back lights 49 feet above the water.

The front light of the upper range, which will be known as Way channel range, stands on the bank of the river at a point 975 feet above the front light of the lower range, and about 2100 feet below the mouth of the Blanche river, which is in lot 3 of the Township of Templeton, County of Wright.

Lat.	N.	45°	29'	56"
Long.	W.	75	32	2

The back light of this range stands 490 feet S. 80° 40' W. from the front light. The two lights bearing S. 80° 40' W. lead up between Way shoal and the north shore to a point nearly abeam of the front light of the Besserer crossing range, when the alignment should be left on the starboard hand to swing into the Besserer crossing alignment.

The front light of the second range, which will be known as the Besserer crossing range, stands on the north bank of the river, 975 feet below Way channel front light, 3075 feet below the mouth of the River Blanche, and 2700 feet above Way shoal lighthouse.

The back light mast of this range stands in the woods, 325 feet N. 48° 30' E. from the front one.

The two lights in one astern lead through the channel dredged across the head of Way shoal, on a course of S. 48° 30' W. from a point abeam of the front light of the Way channel range to deep water on the south side of the river. The alignment of the lights produced is in the alignment of the westernmost trees of Besserer grove on the south side of the river.

Note that the intersection of the two ranges is in shoal water on the north shore, and therefore either alignment must be opened slightly when approaching the other one.
